of His Career*

J. Earl McCall

Those who succeed . . .

Sok it to
'em "Shorty"

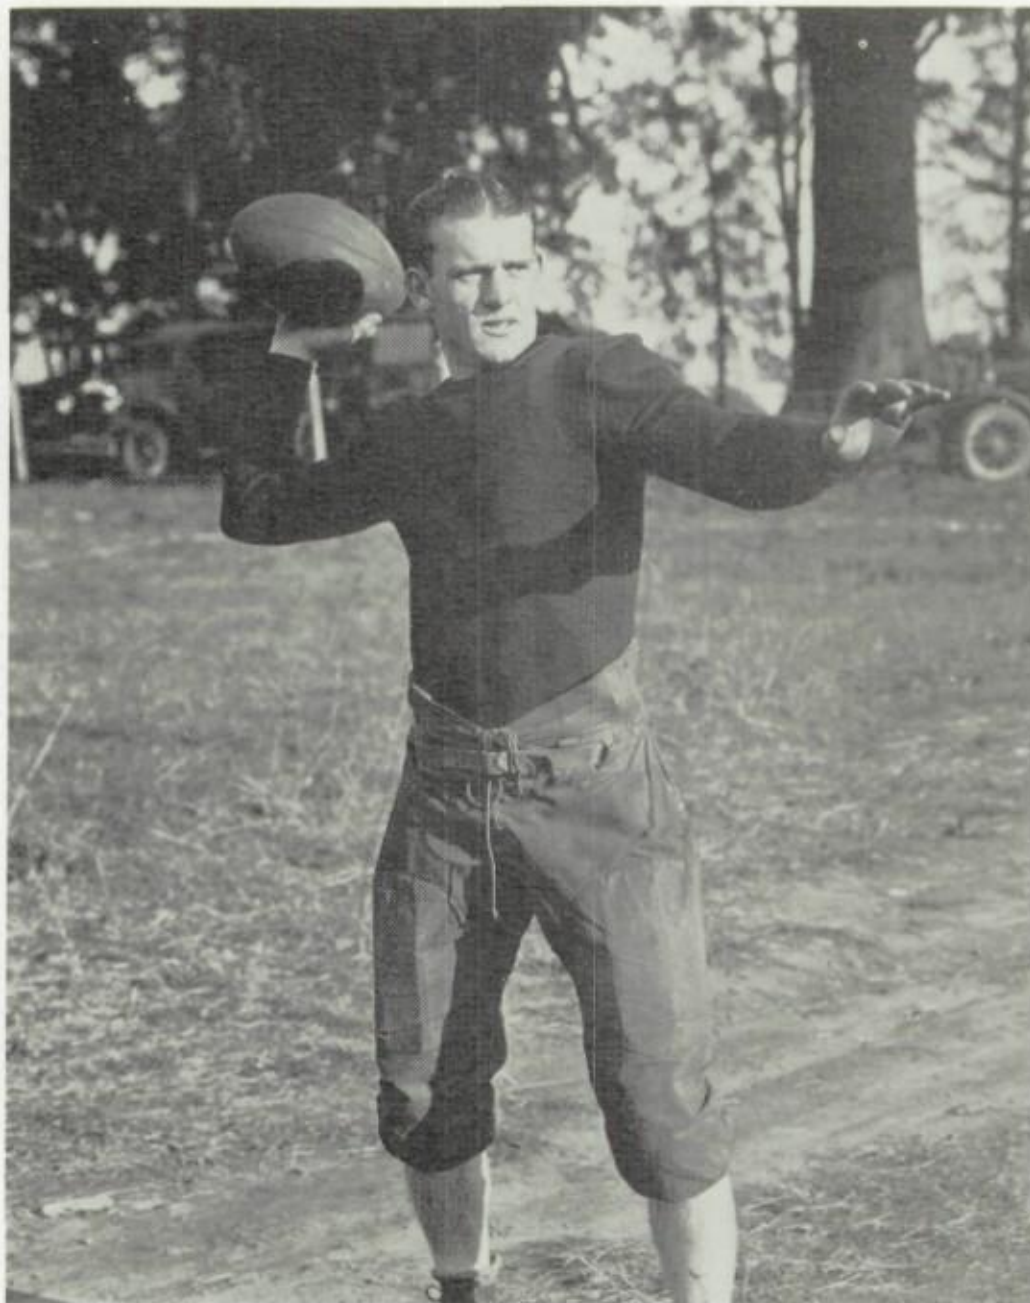

General Bob Neyland once stated, "If Shorty McCall had been playing for U.T. rather than for Maryville College, he would have been selected as an All-American football player."

A friend of Mr. McCall's, who was also a football coach for the Navy stated, without a doubt, that "Shorty" McCall was the greatest natural born athlete that he had ever seen. Someone once said, "Shorty could do anything with a ball next to eating it."

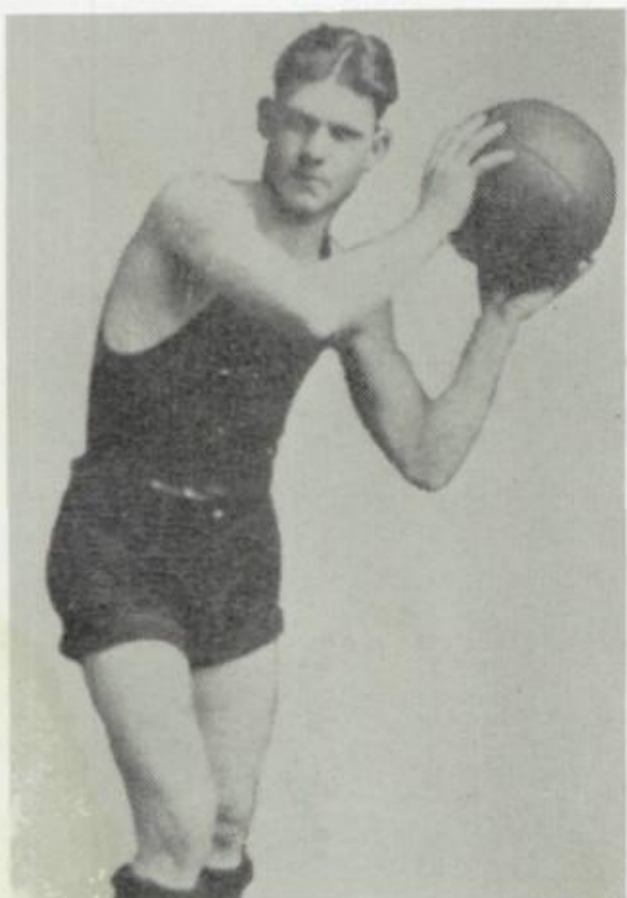

He was a great drop-kicker, place-kicker, punter, broken field runner, and a deadly tackler. Mr. McCall was the first man to originate and to introduce into American football what is now known as the "jump forward pass", which is now used by pro' teams across the country.

Although he excelled in football, he was also high above average in baseball and basketball. In all the events he played to win, but always favored clean play.

For eleven years Mr. McCall has taken on the responsibilities that came with being principal of Powell High School. In this small way we would like to show our appreciation and gratitude for his generous help and understanding.

He awoke one morning and found himself famous.

*Great modesty

DEDICATION

Mr. Cooper
Sponsor of Science Club, Annual Staff, Key Club, and Student Council
"Common sense in an uncommon degree is what the world calls wisdom."

*There Are Few Who
Teach a Meaningful
Way of Life with
Such Enthusiasm*

We, the Seniors, of Powell High School, dedicate the '68 annual to Mr. and Mrs. Z. V. Cooper. May we in the future maintain the principles that they have instilled in us during our high school years.

Mrs. Cooper
Sponsor of Science Club, Student Council, and cheerleaders
"None knew her but to love her; none named her but to praise her."

English

Read, read, read, was the constant assignment given to the Powell High students from the English teachers. The importance of reading was stressed throughout the entire year because it is a means of increasing one's vocabulary, of becoming more informed about various subjects and the entertaining of one's self.

Powell is very fortunate to have an excellent English department which provides each student with a better understanding of their language and the literature of which it consists.

Home Economics

Contrary to popular belief the Home Economics department of Powell High offers its girls much more than the opportunity to learn to cook, and sew. Mrs. Whitson and Mrs. Ross train each girl in personal appearance, child care, home nursing, and many other difficult but important subjects.

Social Studies

No education can possibly approach completeness without a thorough understanding of the various people and their corresponding cultures which serve to make the world we live in. World History, American History, and Problems of Democracy, the basic essentials that form the necessary foundation for a society, are offered to the Students at Powell.

Art and Music

Budding Picassos splashed paint on floors, windows, and ceilings. Who knows? Perhaps some day one of these creative students will proudly display his works in a famous art gallery. Mrs. Ledgerwood encourages each student to use individuality in their artistry. Color is also a key word in the everyday language of a Powell High art student.

*David Wallace
Band Director*

*Roberta Ledgerwood
Art I-IV
Art Club Sponsor*

The band under the direction of Mr. David Wallace has provided many colorful half-time shows for football fans. Much enjoyment has been created for Powell by the concert band also. Many long hours have been put in by Mr. Wallace on the band program.

*Kenton Kidd

Students Appreciate Helpful Faculty

Jean Owen

Miss Owen, teacher of psychology and sociology, has proven to be a valuable asset to Powell.

Mrs. Stooksbury is one of our most reliable substitutes. She is always on hand to provide us with her valuable services.

Ethel Stooksbury

Joyce McCloud

We credit our fine library to the superb supervision of Mrs. McCloud. Besides keeping the library flawless, she is always at hand to render her services.

Below—Behind the wheel training is a new part of our driver's education program at Powell.
Shown below are the three capable instructors of this course.

Bill Henson

Coach Henson is indispensable at Powell High. He is head coach of our superb football team and also keeps study hall in studying condition.

Larry Acuff, Larry Mynatt, and George Hatcher.

Cafeteria Is Favorite Classroom

We are all grateful for the excellent job the cafeteria personnel has done in preparing the tasty, appetizing meals served during the school year.

Seniors

The 1968 seniors have striven to obtain their individual goals while working simultaneously on class and group activities. Each senior experienced their own personal triumphs and frustrations to arrive at this plateau of their educational career. Friendships which have been planted and cultivated over the high school years suddenly become more meaningful. The importance of academic achievement is realized by each senior as graduation approaches.

This graduating class has left its mark on Powell High School but even more important is the mark that Powell has left on its '68 seniors.

In Memoriam

*In memory of Steve Adkisson who passed away
in November of 1967.*

*Life! we have been long together,
Through pleasant and through cloudy
weather;*

*'Tis hard to part when friends are
dear;*

*Perhaps 'twill cost a sigh, a tear;—
Then steal away, give little warning,
Choose thine own time;
Say not Good-night, but in some
brighter clime*

Bid me Good-morning!

—Barbault
